

PETITION FOR RECALL OF DIRECTOR GARY BURKEL

Pursuant to the Sun Lakes Country Club governing documents, the California Corporations Code, and the Davis-Stirling Common Interest Development Act, the undersigned voting members hereby petition the Association to call and conduct a membership vote on the removal of Director Gary Burkel from the Board of Directors and elect a replacement simultaneously and to conduct any related election required by law or the governing documents.

The undersigned members believe the management company selection process has lacked sufficient transparency, independent review, and member confidence, and therefore request that the membership be given the opportunity to determine whether Director Gary Burkel should continue serving on the Board under the 5% recall provision. The undersigned members further demand that the Association schedule and conduct the required recall election and any required special meeting within the time prescribed by California law and the governing documents.

By signing below, I certify that I am an owner of record of a property within Sun Lakes Country Club HOA and am entitled to vote in Association elections.

This petition is submitted pursuant to the Association Bylaws, California Corporations Code and applicable provisions of the Davis-Stirling Common Interest Act.

Only one signature per voting membership.
